

Our Father's Children has started plans for our annual "Ambassadors of Hope" Dinner and Auction. The success of this event is credited largely to our sponsors, who lend their names and financial support to the event. Our goal for 2013 is to raise \$100,000, which will help create positive memories for many children of abuse and neglect between the ages of 6-18, through weeklong camps, weekend retreats, and a mentoring club.

Each year, our various programs serve over 490 children through the stages of young life. Hundreds of volunteers staff our Royal Family Kids' Camp, where they provide the children of our community with much needed love, friendship, encouragement, and faith to help heal young, broken hearts, one at a time. In September 2012, we began a new mentoring program built to coincide with the school year. This mentoring club, Royal Friends, is for Royal Family children, ages 6-11. Each child in this club has a mentor investing 4-6 hours each month with the child in a safe, fun environment. This builds a lasting, loving relationship many of these children don't receive elsewhere. It also provides a positive role model for each child.

For our teens, we offer weekend-long retreats, specifically Onward & Upward for 12-15 year olds and The Summit for 16-18 year olds. Onward & Upward teaches and models positive character traits of men and women, which are often times missing elements of the child's development. As our campers grow and graduate through the programs, many reach The Summit where skills to help them function better as adults are developed. Examples include managing money, completing job applications, preparing for interviews, and goal setting.

In October 2012, we were pleased to announce the purchase of our very own camp facility in Point, Texas – Camp Akiva. With Camp Akiva, we'll be able to host each of our programs in 2014 and create a sense of consistency and 'home' for these children.

Enclosed, you'll find a detailed list of our five sponsorship packages. By participating as a sponsor, your organization will benefit from extended exposure through promotional efforts directed toward the supporters of Our Father's Children and the North Central Texas Community. Your donation will also lend a meaningful hand in the lives of the children we exist to care for.

We're counting on your support, and will be happy to answer any questions you may have. Please return your sponsorship commitment form in the enclosed envelope or email it to dedwards@ourfatherschildren.org. Thank you in advance for your willingness to support the efforts of Our Father's Children and for making a huge difference in our community.

Sincerely,
Darren Edwards
