Our Father's Children has started plans for our annual "Ambassadors of Hope" Dinner and Auction. The success of this event is credited largely to our sponsors, who lend their names and financial support to the event. Our goal for 2016 is to raise \$200,000, which will help create positive memories for many children of abuse and neglect between the ages of 6-18, through weeklong camps, weekend retreats, and a mentoring club. Hall of Famer and former Dallas Cowboy, Emmitt Smith will be our featured speaker.

Each year, our various programs serve over 500 children through the stages of young life. Hundreds of volunteers staff our camps, retreats, and mentoring club where they provide the children of our community with much needed love, friendship, encouragement, and faith to help heal young, broken hearts, one at a time.

Our very own Camp Akiva opened in 2015 for rental possibilities as well as hosting each of our camps and retreats. Additional improvements to the facility are planned during the non-peak season.

Enclosed, you will find a detailed list of our five sponsorship packages. By participating as a sponsor, your organization will benefit from extended exposure through promotional efforts directed toward the supporters of Our Father's Children and the North Central Texas Community. Your donation will also lend a meaningful hand in the lives of the children we serve.

We are counting on your support, and will be happy to answer any questions you may have. Thank you in advance for your willingness to support the efforts of Our Father's Children and for making a huge difference in the life of an abused child.

Sincerely,

Darren Edwards
Executive Director
