

CAMP PRAYER UPDATE

Check out the latest update
from Session 2 of camp!

We provide these updates each
night so continue praying for all
of us at camp, especially the
kids!

WEDNESDAY NIGHT

CHAPEL AND THE BIRTHDAY PARTY

Our third day of camp is officially in the books. Today is "Everyone's Birthday Party" day. When we all wake up, everyone knows - it's our birthday. All around camp people are wishing each other "Happy Birthday" greetings.

After a great pizza dinner and cupcakes for dessert, we had face painting, popcorn, music, bounce houses and a rock climbing wall. And for the first time - we had a TRAIN that gave the kids around camp. Thanks Derrick and Roy!! What a birthday party!

Here's a great story from our scribe:

Chapel is a huge part of our day here at Royal Family Kids Camp. We learn about God's love for us and how to praise him through songs, skits, story telling and prayer.

Kingsley did not want to go to chapel. He told his counselor and his group of

campers that he hated chapel and he hated singing. But he got ready to go without any fuss. While they walked from the dorm to chapel he told everyone over and over again how much he hates chapel and hates singing. This didn't discourage his fellow campers, in fact they kept encouraging him. But nothing they said changed his mind. Kingsley walked into chapel without any fuss. He sat nicely through chapel which was great. He didn't participate but that was anticipated.

At dinner that evening Kingsley's counselor asked if anyone wanted to pray. To his amazement Kingsley offered to pray. His prayer was "Thank you God for chapel and thank you for letting me learn about Moses."

Hearts are being opened here at camp.

*Show me your ways, LORD,
teach me your paths.
Guide me in your truth and teach me,
for you are God my Savior,
and my hope is in you all day long. Psalm 25: 4-5*

Blessings everyone!

Darren Edwards,

OFC Director

p.s. Be praying for some of our volunteers, Dan & Deanna Davis. Their grandson is dealing with some major health issues and a neurologist is involved. Prayers for wisdom for the doctors/nurses and most importantly HEALING of this young boy!
